A hard-folding truck bed cover that comes with exciting new features, and is topped off with an alluring matte finish. The Ultra Flex is in a category of its own. From the irresistible outward appearance, to each component beneath the cover, the Ultra Flex has been carefully crafted to be the ultimate all-purpose truck bed cover.

Features that accompany the Ultra Flex include an integrated rail light for enhanced night vision and a dual action tailgate seal, allowing you to close the tailgate with the cover open or shut. Multiple riding positions allow the user to ride with full access to their bed, and full weather protection is available if the cover is in the fully closed position. Ultra Flex is easily installed and removed with our newly designed L-Rails. What’s more, the Ultra Flex is backed by a 5-year warranty, making it the most desirable folding cover on the market.
The UnderCover Flex is a hard-folding truck bed cover that gives you the ultimate control of your truck bed, offering three secure riding positions. The cover is easy to remove, and is mounted flush with your truck's bed rails. Each Flex has a bed rail mounting system equipped with rubber seals and drain tubes that carry water away from and out of the bed, keeping your gear dry and secure. The Flex is backed by a 3-year warranty making it America's favorite hard folding tonneau cover.
